# Author Correction: Cross-ancestry genome-wide association analysis of corneal thickness strengthens link between complex and Mendelian eye diseases

Adriana I. Iglesias  et al.<sup>#</sup>

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-018-03646-6>; published online 14 May 2018

Emmanuelle Souzeau, who contributed to analysis of data, was inadvertently omitted from the author list in the originally published version of this Article. This has now been corrected in both the PDF and HTML versions of the Article.
